## Summer Holidays 2018

What a great summer we have had, fantastic trips, visitors and the usual parachute days of endless play inside and out.

We have had trips to Crocky Trail, Applejacks and our new find Manly Mere was a huge success, I think it's safe to say we will be going back.

We had a visitor into club The Creepy Crawly Show was fantastic and the children loved meeting all the animals and the old favourite Inflatable day was back.

We took lots of photos which will be available soon on the website.

## **A Big Parachute Welcome**

**A big welcome to all our new children and our families and a welcome back to everyone we haven't seen over summer.**

**It will take a short while to settle everyone into club and for us staff to get used to all the children who they belong to haha. So please be patient and don't get offended if we ask who you are.**

## **October Half Term**

Yes I know we have only just come back to school but half term isn't that far away, everyone should have had their copy of the Holiday Programme via email, there are paper copies available in club and you can download it on the website

[www.parachutechildcare.co.uk](http://www.parachutechildcare.co.uk)

please book your children in as soon as possible if needed, it really does affect the staff rota, holidays are long days for the staff and it does affect their homelife when arrangements have to be changed last minute.

## **Well done!!**

**Well done to all the staff who worked hard to renew all their certificates over the holidays, Not a fun job but it ensures that we are qualified and trained to the top level.**

## **Our invoices**

Please please understand that myself and Jenni are qualified childcare workers and not administrators so yes we do get things wrong, our paperwork is only done around your children where ratios and their needs allow us to do so. They will always be our priority
